**Re: CC Docket No. 97-213
The Communications Assistance For Law Enforcement Act (CALEA)**

Dear Ms. Teicher:

I'm writing to follow up on our recent conversation regarding TRS numbers identifying telecommunications companies formerly associated with GTE which are now owned by Verizon Communications. In the past GTE had been issued the following TRS numbers

Entity	TRS Code
GTE Network Services	803849
GTE Alaska Incorporated	803868
GTE California Incorporated	803860
GTE Florida Incorporated	803862
GTE Hawaiian Telephone Company Incorporated	803865
GTE West Coast Incorporated	803913
GTE Northwest Incorporated	803900
GTE South Incorporated	803930
GTE Southwest Incorporated	803950
GTE Midwest Incorporated	804020
GTE North Incorporated .	803870
Contel of Minnesota, Inc.	804025
Contel of the South, Inc.	805070
GTE Arkansas Incorporated	803998

As you know, Verizon no longer owns the Alaska, Minnesota, and Arkansas companies and the names of the other telephone companies have been changed (*e.g.*, GTE California Inc. is now Verizon California Inc.). For the sake of simplification and clarity, we would like to propose that all of the remaining companies listed above be associated with the TRS code for GTE Network Services (803849) for all CALEA reporting purposes. We have discussed this proposal with Dawn Dohrmann of the FBI, who is amenable to this change if the FCC concurs.

We would appreciate your prompt consideration of this matter.

Sincerely,
